#### 5.4.7. STANDARDS FOR REVIEW

The Director Development Services shall not approve the proposed minor conditional use nor shall the Planning Committee or City Council approve the proposed major conditional use and accompanying major site plan, unless and until they make the following findings, based on evidence and testimony received at the public hearing or otherwise appearing in the record of the case:

- a. That the proposed use or development of the land will not materially endanger the public health or safety;
  - b. That the proposed use is reasonably necessary for the public health or general welfare, such as by enhancing the successful operation of the surrounding area in its basic community functions or by providing an essential service to the community or region;
  - c. That the proposed use or development of the land will not substantially injure the value of adjoining or abutting property;
  - d. That the proposed use or development of the land will be in harmony with the scale, bulk, coverage, density, and character of the area or neighborhood in which it is located;
  - e. That the proposed use or development of the land will generally conform with Comprehensive Plan and other official plans adopted by the City;
  - f. That the proposed use is appropriately located with respect to transportation facilities, water supply, fire and police protection, waste disposal and similar facilities;
  - g. That the proposed use will not cause undue traffic congestion or create a traffic hazard.
2. The item will be acted upon by the Department of Development Services within three (3) weeks of applying.
